

2019 Job Shadow Program – Host Information

Thank you for your interest in being a part of the 6th annual Job Shadow Program (JSP), hosted by the UC Irvine Division of Career Pathways! This one-day program will take place during March 25-29, 2019, and is an opportunity to mentor and provide insight to students interested in your field while providing greater exposure for your organization, job function, and industry to UCI students. The program is designed to be an educational experience for students, as this may be their initial exposure to a professional environment. For others, it will be a chance to explore a career area they might otherwise not have exposure to. The job shadow day itself may consist of observation of daily work, sitting in on meetings/other activities, touring your facility, speaking engagements from executives, informational interviews, or hands-on experience – all dependent on the nature of your industry and organization. We hope you will join us!
