Career Direction Resources

Career Counseling Appointment
Create an action plan and develop a career planning timeline to give your career search direction.

Self-Assessment
Explore through assessments such as Focus 2, the Strong Interest Inventory (SII) and Myers-Briggs Type Indicator (MBTI), and learn how your interests, skills, values, and personality can help identify career paths of interest.

Research Careers
Use the Division of Career Pathways’ online tools and informational interview with professionals to find careers which match your interests. Check out our career panels, like the Career Discover Series, to learn from professionals in fields of interest.

Get Involved
Start getting involved on campus in activities, organizations, or jobs that fit your interests. Take on leadership roles and gain experience.

Test Drive a Career Field
Consider applying for an internship to gain relevant experience, network with professionals, and see what the career is like firsthand.

Prepare for the Job Market
Attend workshops (e.g Resume, LinkedIn, Internship, Job Search, and more). Get your resume and cover letter reviewed and participate in a one-on-one practice interview.
