

## Individual Career Counseling

Appointments with professional career counselors are available for career planning, job search, practice interviews and graduate school preparation, as well as translating military experience into civilian terms.

## Drop-In Advising

Brief drop in career consultations for quick questions and resume / cover letter reviews.

## Career Assessments

The Strong Interest Inventory and the Myers-Briggs Type Indicator, Skillscan, and Focus 2 Career are tools to help you gather information for career decision making.

## Workshops & Webinars

Offered weekly to provide information about resume writing, interviewing techniques, job search strategies, internship planning, and graduate / professional school preparation.

## Professional Panels

The Division of Career Pathways holds a variety of panels featuring professionals from different industries – many of whom are also UCI alumni. Attending these panels is a great opportunity to gain knowledge about particular career interests and to network with professionals.

## On-Campus Interviews (OCI)

Companies conduct on-campus interviews during the academic year for job and internship positions.

## Handshake (Job & Internship Listings)

Handshake, the online job posting site for UCI students, lists part-time and full-time jobs, internships, work-study, and summer / seasonal positions. Also use Handshake to register for Division of Career Pathways' events.

## Going Global

An online research tool containing country-specific information with recommended websites, insider tips, and advice regarding employment. This tool can be accessed on Handshake.

## Online Career Resources

Directories and information regarding occupations, salary, employers, and graduate schools.

## Quick Tips

These handouts can help you with choosing a major, writing a resume / cover letter, interviewing, dining etiquette, and applying to graduate school. Available online and at the Division of Career Pathways.

## UCDC Internship Program

Program to help guide students to obtain summer internships in Washington, D.C.
