UC IRVINE DIVISION OF CAREER PATHWAYS EMPLOYER GUIDELINES

A primary objective of the UCI Division of Career Pathways is to support employers in their efforts to recruit and hire UC Irvine students. We expect employers to abide by the following guidelines pertaining to all recruitment activities including, but not limited to: Handshake job and internship postings, On-Campus Interviews, Career Fairs, Information Sessions, and Visibility Tables. The Division of Career Pathways requires that any recruiting organization or individual utilizing these services abide by all applicable federal, state, and local employment laws, including [Equal Employment Opportunity Commission laws](#), [University of California rules and regulations](#), and the National Association of Colleges and Employers (NACE) [Principles of Professional Conduct for Career Services](#). Accounting firms should also be familiar with the [UC Irvine Accounting Recruiting Policies](#). These aforementioned principles mirror our guidelines for recruitment activities involving UC Irvine students and alumni. Please refer to the detailed resources below.

EMPLOYER GUIDELINES

[Handshake Postings](#)

Handshake is a web-based portal for publicizing bona fide full-time, part-time, seasonal, and short-term positions and other recruiting activities for small and large businesses, government agencies, nonprofit organizations, on-campus employers, households, and individuals. Employers are expected to be fully transparent when describing their organizations and posting information on Handshake. Job listings should have a start date, starting salary, and accurate position description of the responsibilities, expectations, and requirements. Please allow 3-5 business days for employer registration and/or job listing approvals. It is the employer's responsibility to refresh job listings as needed and to close listings that have been filled. The Division of Career Pathways does not accept international job listings from third parties. **Postings requiring donations, application fees, investments, purchase of training materials, or listings that offer items/services for sale cannot be advertised on Handshake.**

The Division of Career Pathways reserves the right to refuse service to organizations/individuals due to any of the following:

- Requiring personal information at the time of application, such as bank and social security numbers
- Misrepresentation, whether defined by dishonest information or absence of information
- Fraud
- Harassment of UC Irvine students, alumni, staff, or faculty
- Breach of confidentiality as required by the Family Educational Rights and Privacy Act (FERPA)
- Failure to adhere to Division of Career Pathways Employer Guidelines
- Any violation of University of California rules and regulations
- Any violation of local, state, or federal laws

[Alcohol](#)

Use of alcohol at any time during the recruiting process is inappropriate, on or off campus.

Start-Ups

The Division of Career Pathways uses the criteria below to identify appropriate entrepreneurial employment opportunities for promotion through its services. Start-ups must have progressed significantly in their business development process so that they can:

- Provide a company name, business address, website and email address, and identify a principal as the key contact.
- Verify that they are not seeking potential partners or investors.
- Confirm that they have obtained the necessary business licenses and tax IDs as well as sufficient funding, including identifying their funding model and investors, if requested.
- Offer positions for pay, not just for equity; see *Compensation and Fees*.
- Provide clearly defined organization and position descriptions in Handshake.

Confidentiality Guidelines

By registering on Handshake and submitting resumes and other application materials for opportunities posted on Handshake, students provide the Division of Career Pathways authorization to release employment materials to those selected prospective employers. Employment professionals must maintain the confidentiality of all student information released to them, regardless of the source, including personal documents, written records/reports, and computer databases. This means there should be no disclosure of student information to another organization without prior written consent of the student, unless necessitated by health and/or safety considerations, in accordance with the Family Educational Rights and Privacy Act (FERPA).

Employment Eligibility

The Division of Career Pathways will not screen candidates based upon employment eligibility. Employers are encouraged to consult with their legal counsel and establish legally permissible internal screening procedures *before* recruiting on campus. Employers may include employment eligibility information in Handshake job descriptions as long as the stated requirements include legal, nondiscriminatory language. The Division of Career Pathways reserves the right to modify or remove any non-compliant statements or job listings.

More information regarding the DOJ's recent decisions can be found at the following sites:

ON-CAMPUS RECRUITMENT GUIDELINES

[Fairs](#)

UC Irvine Career Fairs are for all currently enrolled UCI students and UC alumni registered for UCI Division of Career Pathways [alumni services](#). Please do not invite outside participants to our Career Fairs. If you need to meet with an external candidate, or if an external candidate approaches you at a UC Irvine Career Fair, we ask that you kindly excuse yourself from the fair and meet with them outside. Division of Career Pathways Graduate and Professional School Fairs are open to all UCI students, UC alumni, and community members.

[Organization/Recruiter Attendance](#)

The Division of Career Pathways requires that all attending organizations, as well as their specific representatives, abide by all applicable Federal, State, and Local employment laws, including Equal Employment Opportunity Commission laws, University of California rules and regulations, and the National Association of Colleges and Employers (NACE) Principles of Professional Conduct for Career Services. Conversely, any organization or individual that does abide by the aforementioned laws and regulations, is welcome to participate. This extends to multiple individuals and departments from within the same organization (examples include, but are not limited to, different “offices” or “divisions” within a corporation or franchised insurance, staffing, and wealth management outlet). Finally, the Division of Career Pathways reserves the right, at any time, and for no stated reason, to allow or deny any organization, or individual, access to any of our Career Fairs.

[Cancellations and No-Shows](#)

Cancellation requests made 61+ days in advance will receive a full refund. Requests made 31-60 days in advance will incur a cancellation fee of \$100. No refunds will be given for cancellations 0-30 days in advance or for employers who fail to attend an event for which they were a confirmed registrant.

[Recruiter and Representative Communication](#)

It is the responsibility of the person registering for an event (i.e., the recruiter) to submit payment and communicate all event information received from the Division of Career Pathways to attending representatives.

[Third-Party Recruiters](#)

Third parties (e.g., employment agencies, contracted consultants, search firms) interested in recruiting at UC Irvine Career Fairs are required to register at the **3rd Party Registration** rate. This is the only registration option for such recruiters/agencies.

[UCI \(and other UC\) Campus Programs and Departments](#)

UC Irvine Career Fairs are intended specifically for external employers offering full-time, part-time, and internship opportunities for UCI students. UCI (and other UC) campus programs/departments can register for UC Irvine Career Fairs only if directly recruiting for positions within their own program/department. Due to the increasing interest from employers seeking to recruit UCI students at our Career Fairs, registrations from UCI (and other UC) campus programs/departments seeking to advertise or promote services will only be approved if space permits within one (1) week of the event, and at the discretion of the UCI Division of Career Pathways. Registration for these entities will be processed and charged at the Standard Registration level and will include all Standard Registration benefits (e.g., lunch, parking). Requests for discounted rates or different services will not be considered. Payment in full is required no later than two (2) days prior to the event. UCI (and other UC) campus programs/departments are welcome to register for our Law School Fair, Graduate & Professional School Fair, and Health Professions Graduate School Fair with no restrictions.

[On-Campus Interviews \(OCI\)](#)

To request an On-Campus Interview (OCI) schedule, click on “Interviews” in the left-hand navigation bar of your [Handshake](#) employer dashboard. From this page, select “Request Interview Schedule” in the top right-hand corner. On the next page you will need to select *University of California, Irvine* from the “School” menu to get started. If you do not see *University of California, Irvine* in the “School” menu, you either have not yet been approved at our University on Handshake, or we do not currently have an open interview period for you to select. For assistance, email oci@uci.edu.

[Use of Facilities/Greeters](#)

Interview schedules arranged by the Division of Career Pathways must be used exclusively to interview current UCI students. Interviewing students from other schools and universities is strictly prohibited and will result in the permanent loss of recruiting privileges at UCI for the interviewer/employer. Greeters are permitted in the On-Campus Interview waiting area.

Interview rooms may not be used for greeting or administrative purposes. Please indicate the number of greeters you will have in the comments section of your On-Campus Interview request or email oci@uci.edu.

Third-Party Recruiting

Third parties (e.g., employment agencies, contracted consultants, search firms) are not permitted to utilize the OCI Program.

“Room Only” Schedules

If you do not use Handshake to schedule interviews, a copy of your interview appointment times and applicants’ full names and email addresses must be submitted to oci@uci.edu two (2) business days prior to the interview date.

Cancellations and No-Shows

Interview rooms are in great demand. In the event you need to cancel your On-Campus Interviews, please email oci@uci.edu no fewer than five (5) business days prior to your scheduled interview date. It is your responsibility to notify the students scheduled to interview.

Second-Round Interviews

The Division of Career Pathways does not allow students to cancel first-round interviews to attend second-round interviews. Students who do so face suspension of their campus recruitment privileges. The following expectations are in place for employers to ensure students’ ability to comply with our second-round policy:

- Employers scheduling second-round interviews should give a minimum of three (3) full business days’ notice of a second-round interview at an off-campus location (e.g., for a Wednesday interview, students must be notified by the previous Thursday). Employers must offer alternative dates for a second-round interview, without negative consequences, if the date originally suggested by the employer interferes with a student’s first-round interview on campus, an exam, or other valid appointment.

JOB OFFER GUIDELINES

Students need time to make informed decisions when comparing and responding to offers. The following guidelines are intended to provide students and employers a fair and transparent framework for managing the offer phase of the process in this increasingly competitive job market. For all offers extended for summer internships or full-time employment with 2019 or 2020 start dates, **employers should allow a minimum of two (2) weeks from the date of the written offer, but preferably longer**, for students to accept or decline any offer.

Full Disclosure

Full-Time/Return-Internship Offers to Summer Interns

We ask that employers who extend a full-time employment or return-internship offer to a previous intern allow the student until Friday, November 1st to respond to that offer, without pressure to respond by an earlier date. In some cases, students may ask for extensions beyond these deadlines. We encourage you to accommodate their requests whenever possible. We appreciate the cooperation employers have shown in the past, and ask for your continued flexibility.

Start Dates

All offer letters must include a start date. Students who interview with employers on campus expect to start work after graduation through mid-September (at the latest). Employers who anticipate start dates later than September 14th (for March or June graduates) must disclose this through the posted job description on Handshake as well as to the Division of Career Pathways when scheduling On-Campus Interviews.

Basis of Compensation

Employers who compensate employees based on a partial commission structure must give an accurate estimate of expected first-year earnings.

Written Offers

Written offers should clearly state all appropriate terms and conditions including, but not limited to, position title/description, location, benefits, start date, salary, bonuses, etc. All bonuses or other incentives are to remain in full effect for the entire duration of the offer period.

Exploding Offers/Excessive Pressure

The UC Irvine Division of Career Pathways defines an exploding offer as any offer that does not conform to the aforementioned timetables. Employers should not make offers or pressure students to accept “early” offers, including those requiring a quick response time, nor should they attach incentives involving diminishing bonuses, reduced options for location preferences, etc. Asking a student to make a decision on the spot or providing the student with a hypothetical situation involving a potential offer are also considered inappropriate. Exploding offers put undue pressure on students to make decisions before completing the interviewing process. Students are not ready to make a final decision before completing all their interviews. Further, pressure to accept early compromises the Division of Career Pathways’ efforts to enforce our student policy against renegeing.

Rescinding Employment Offers

The UC Irvine Division of Career Pathways strongly encourages employers to consider every alternative before revoking an offer of employment. Employers who cannot avoid rescinding or deferring employment offers should carefully review the NACE guidelines and follow the recommendations issued in their [position statement](#). NACE recommends that employers who must revoke an offer demonstrate that they have done everything possible to avoid rescinding offers, and to then consider alternatives. Alternatives may include changes in job responsibilities, salary reduction and/or reduced work weeks, changes in job locale, delayed starting dates, and other reasonable options.

Compensation and Fees

- Employers offering paid positions must pay at least the California State minimum wage (calculated over any time scale such as hourly, weekly, semi-monthly, monthly, or annually).
- Organizations only offering stipend, unpaid, or volunteer positions must meet the organizational definitions/requirements that allow them to do so legally. They must clearly state the pay status when posting opportunities on Handshake. Consult legal counsel with questions.
- Commission Sales Positions: If no initial base salary is provided, the form of remuneration should be clearly stated in the employer’s job descriptions and at the end of the initial interviews.
- The Division of Career Pathways does not allow recruitment for positions requiring donations, application fees, investments, or the purchase of training or start materials. If a position requires new hires to pay fees for certain federal and state licensing requirements (e.g. real estate, securities, etc.), that must be clearly outlined in the Handshake posting.
- The Division of Career Pathways reserves the right, at any time, to remove Handshake postings or decline further services to employers who do not abide by the Division of Career Pathways Employer Guidelines.

Timely Communication

Employers are expected to keep students informed of hiring timelines and their status in the hiring process, and to communicate hiring decisions within an appropriate time frame.

EXCEPTIONS AND CONSEQUENCES

Exceptions to Policies and Guidelines

The Division of Career Pathways reserves the right to make exceptions to these guidelines as warranted by special circumstances (i.e., in certain situations deemed to be acceptable and beneficial to our students, the Division of Career Pathways, the University, or recruiters using our services). Exceptions will be considered on a case-by-case basis. Any exception made does not constitute a change in policy, nor is there a guarantee that the same decision will apply in the future.

Consequences

Employers violating any of these guidelines may receive deferred interview dates or be denied access to the recruiting program for the following season. Each circumstance is evaluated independently on the level of the violation and related factors.

Students who violate our guidelines are required to meet with Division of Career Pathways staff. Each case is evaluated independently. Consequences range in scope and can include forfeiture of all campus recruitment privileges.

2019-2020 RECRUITMENT CALENDAR

Fall 2019

Instruction Begins: Thursday, September 26

Division of Career Pathways Information Sessions Begin: Monday, October 7
