

You are entering UCI with a unique set of skills and competencies. Did you know that employers have identified 8 competencies that they expect all college graduates to have to successfully transition to the workplace?

Below is a list of these 8 competencies along with their definitions. Consider if you have already developed this competency in some capacity and explain where and how you developed it. Next, think about the numerous ways you can continue to hone these competencies here at UCI. Consider part-time jobs, volunteering, class projects, campus organizations, internships, etc. When listing ways to further hone these competencies, be as specific as possible. For example, search the UCI Campus Organizations website ([campusorgs.uci.edu](http://campusorgs.uci.edu)) for a specific campus organization that you could join.

### CAREER AND SELF-DEVELOPMENT

**Proactively develop self and career through continual personal and professional learning, awareness of strengths and weaknesses, navigation of career opportunities, and networking to build relationships.**

**Examples:** Completing this inventory and being able to talk about how you have each competency in detail.
