GRADUATE CAREER WORKSHOPS

FALL 2022

Fall 2022 has a lot to offer grad students! In addition to the DCP led 3-part “how-to” workshop series, Beyond the Professoriate is hosting live workshops and an Academic Career Success Conference this term! Attend 1 or attend all, these workshops and events are designed specifically for graduate students and will help set you up for a successful career search.

GRADUATE STUDENT “HOW-TO” CAREER DEVELOPMENT WORKSHOP SERIES

How to Job & Internship Search
Wednesday, Oct. 12 @ 12-12:30
Zoom Link: https://uci.zoom.us/j/98228933062
Description: Discover how to narrow your search, locate jobs & internships, and develop an action plan to get you started.
Target Audience: Graduate students & postdocs from all disciplines who are, or will be, searching for internships and/or industry jobs.

How to Optimize Your Job Search: Informational Interviewing
Wednesday, Oct. 26 @ 12-12:30
Zoom Link: https://uci.zoom.us/j/95681061266
Description: Informational interviewing is considered one of the best ways to break into a field. Join us to learn more about the what, how, why and when of these all-important conversations that are guaranteed to help you in your job search.
Target Audience: Graduate students from all disciplines looking to expand their network and/or apply to internships or full-time jobs in industry or academia.

How-to: Write a Resume
Wednesday, Nov. 9 @ 12-12:30
Zoom Link: https://uci.zoom.us/j/93185037070
Description: Don’t undervalue your grad experience! Join us as we discuss how to write a resume that will resonate with industry employers and highlights your transferable skills.
Target Audience: Graduate students from all disciplines who are considering industry internships or jobs. No resume writing experience required.
