

Individual Career Counseling

Appointments with professional career counselors for career planning, job search, practice interviews, and graduate school preparation.

Drop-In Advising

Brief drop in career consultations for resume and cover letter reviews, questions about graduate and professional school admissions, and job search tips.

Workshops and Webinar Library

Join a workshop or watch a webinar presented by our professional staff to gain expertise about a variety of topics including:

- Resume and cover letter writing
- Interview techniques
- Job and internship search strategies
- Networking
- Preparing for the career fair
- Applying to graduate school
- Career panels

Employer Events

Attend in-person and virtual info sessions, industry panels, and on-campus interviews hosted by employers who want to recruit UCI talent.

Handshake

Find job listings for part-time and full-time jobs, internships, work-study, campus jobs, summer and seasonal positions. Handshake is used to register for Division of Career Pathways' workshops, career fairs, employer info sessions, and counseling appointments.

Take career self-assessments, compare occupations and salaries, and see job possibilities related to your major. Recommended for undeclared majors and students looking to explore options.

Watch quick, career advice videos on topics like interviewing, networking, job searching, and more.

An online mock interview platform that combines training and practice to help you improve your interview technique and build your confidence.

Resume AI by Big Interview

Resume AI by Big Interview offers quick, AI resume feedback. This free, virtual tool scans resumes and suggests improvements, ideal for those short on time, in early drafting stages, or seeking quick resume feedback.

Career Counseling Appointments

Create an action plan and develop a career planning timeline to give your career search direction. Make an appointment with us on Handshake.

Self Assessments

Explore through assessments such as Focus 2 (career.uci.edu/focus-2-career) and learn how your interests, skills, values, and personality can help identify career paths of interest.

Research Careers

Use tools like Focus 2 (career.uci.edu/focus-2-career) and conduct informational interviews with professionals to find careers which match your interests. Check out our career panel video recordings (career.uci.edu/webinar-video-library), like our Career Discover Series, to learn from professionals in fields of interest.

Get Involved

Start getting involved in campus activities, organizations, or jobs that fit your interests. Take on leadership roles and gain experience. Join a DCP Club Affiliate, which are clubs who partner with DCP to promote professional development (career.uci.edu/resources-for-student-clubs/club-affiliates).

Test Drive a Career Field

Consider applying for an internship to gain relevant experience, network with professionals, and see what the career is like firsthand.

Prepare for the Job Market

Attend workshops (e.g. Resume, LinkedIn, Internship, Job Search, and more). Get your resume and cover letter reviewed and participate in a one-on-one practice interview.
