Thank you for your interest in the Division of Career Pathways Anteater Alliance (DCPAA).

Our Anteater Alliance is comprised of selected organizations that take an active role in furthering the vision and development of the UCI Division of Career Pathways, and who would like to maximize their visibility and impact on the UC Irvine campus.

Alliance partners gain access to premium service offerings to engage with the UCI community in a more integrated manner. Partners are supported by members of the Employer Relations team through one-on-one consultation pre/during and post engagement.
