EDUCATION

University of California, Irvine

June 20XX

Bachelor of Science, Pharmaceutical Sciences

GPA: 3.52

Campuswide Honors Collegium: selected to be part of academic program that admits the top 3% of UC Irvine students.

RESEARCH EXPERIENCE

Bota Laboratory, Irvine, CA

October 20XX – June 20XX

Undergraduate Researcher

- Tested 16 mitochondrial Lon-inhibitor compounds' ability to decrease viability in two malignant glioma lines D-54 MG and U-251 MG, and cytotoxicity in two normal human cell lines HPF242 and MCF10A.
- Documented test results into shared laboratory database and presented findings during weekly team meeting.

AWARDS

Excellence in Research in Biological Sciences

May 20XX

- Awarded to undergraduate students who complete the Excellence in Research Program.
- Wrote Excellence in Research paper and participated in both a departmental and program-wide poster symposium.

Summer Undergraduate Research Program (SURP) Fellowship

June 20XX

- Awarded in support of proposed project, "Preclinical Development of Coumarinic Compounds as a Novel, Mitochondrial-Targeted Therapy for Glioblastoma," under the supervision of Professor Daniela Bota.

LEADERSHIP

Pre-Pharmacy Society (PPS) at UCI, Irvine, CA

May 20XX – Present

President, May 20XX – Present

- Led discussions during board meetings to ensure positive development of the organization to meet overall goals and member needs.
- Established and enhanced board relations by clarifying roles and supporting board members with their duties.

Ambassador, June 20XX – May 20XX

- Organized Pre-Pharmacy Society at UCI's annual Pre-Pharmacy Day (PPD) and collaborated with other school ambassadors to host the Southern California Pre-Pharmacy Symposium (SCPPS).
- Coordinated with the PPS at UCI Social Chairs to host the Pre-Pharmacy Society Bonfire and assisted the PPS at UCI External Vice President with hosting pharmacy school mixers.

UCI School of Pharmacy & Pharmaceutical Sciences, Irvine, CA

April 20XX – Present

Peer Academic Advisor

- Counsel students individually during office hours in selecting courses, planning quarterly programs of study and learning about various majors and minors.
- Refer students to various UCI campus resources, offices and opportunities based on student needs and interests.

UCI Campuswide Honors Collegium (CHC), Irvine, CA

May 20XX – Present

Peer Mentor

- Answer questions regarding student life and CHC classes and share personal, academic and professional advice with students as they adjust to UCI.
- Tutor 10-15 students individually each week in honors Humanities, Chemistry, and Biology courses.
